PRERANA- EK SAMVAAD

A Day of Inspiration!

On 17th August, our school proudly hosted the 2nd session of 'Prerana- Ek Samvaad,' an alumni achievers' meet that filled the campus with motivation and inspiration. The event featured inspiring talks by our distinguished alumni, Ms. Tanvvi Drolia, Founder and Director of "Cubby Tales," and Mr. Raghul S, Chairman of RD National College of Arts and Sciences.

Their insightful discussions left a lasting impact, motivating our students to aim higher in their academic and personal journeys. The event was a wonderful opportunity for our students to connect with role models and gain valuable perspectives on achieving success. We extend our heartfelt thanks to our esteemed speakers for their time and wisdom. Looking forward to more such enriching interactions!

Space Tech

On 17th Aug, Saturday, our Grade 8 students had an exciting Space Tech session where they explored the fascinating world of planetary exploration and lander technology. They learned how landers operate on planetary surfaces and even got hands-on experience by designing their own space lander models.

The activity helped them understand real-world missions like Mars Rovers while developing creative design, problem-solving, and teamwork skills. It was an inspiring experience that sparked curiosity and a deeper interest in space technology!

Communication and Leadership Program: A Day of Growth!

On 17th August, our Grade 9 students participated in an engaging and productive Communication and Leadership program, filled with team spirit and enthusiasm! The workshop focused on sharpening public speaking skills and fostering leadership qualities through a series of well-planned activities and speeches. Highlights included the nomination of key role-takers such as the Grammarian, Timer, and Master of Ceremony, who played crucial parts in ensuring a smooth and educational experience.

The lively Table Topics session challenged participants to think on their feet, speaking impromptu on various topics, which helped them practice spontaneous speaking. The day concluded with awards recognizing the best speakers and most improved participants, reflecting the strong commitment of our students to personal growth.

EXPERIENTIAL TRIP

Exotic Mysore !

Our Junior school students had an unforgettable two-day trip to the exotic Mysore, on 17th and 18th August, where they explored a mix of nature, history, and culture. From the vibrant birdlife at Ranganathittu Bird Sanctuary to the vintage charm of Payana Car Museum and the artistry at the KSIC Weaving Factory, Day 1 was full of learning and wonder.

They delved into the literary world at R.K. Narayan's house and ended the day with the mesmerizing light and sound show at Mysore Palace. Day 2 was equally enriching, with visits to the majestic Mysore Palace, Jaganmohan Palace Art Gallery, and a peaceful sailing experience at KRS Backwaters.
