EXPERIENTIAL TRIP- MYSORE

As we kick off our weekend trips and activities, we are thrilled to share the highlights of an incredible 1 night, 2 days experiential trip undertaken by Batch -1 of our junior class students to the beautiful city of Mysore.

Day 1:

- **Ranganathittu Bird Sanctuary:** Our adventure began with a visit to this serene sanctuary, where students marveled at the diverse birdlife and picturesque surroundings.
- **Payana Car Museum:** Next, we explored this fascinating museum, showcasing a remarkable collection of vintage cars and automotive history.
- **KSIC weaving factory and RK Narayan House:** We then stepped into the legacy of KSIC weaving factory and the world of the renowned author RK Narayan, gaining insights into his life and works.
- **Mysore Palace Light and Sound Show:** The day concluded with a breathtaking light and sound show at the majestic Mysore Palace, leaving everyone in awe of its grandeur.

Day 2:

- **JaganMohan Palace Art Gallery:** Our students were captivated by the exquisite art and cultural heritage displayed at this prestigious gallery.
- **KRS Backwaters Sailing Experience:** The trip ended with an unforgettable sailing experience at the KRS backwaters, creating memories that will last a lifetime.

Here's to more adventures and learning experiences!

WEEKENDS AT JIRSwww.jirs.ac.in**ADVENTURE TRIP- WALL CLIMBING**

As part of a weekend adventure activity, Batch 1 of our Class 9 students went on a wall climbing activity at Kanteerava Stadium, Bangalore on Last Sunday. It was a resounding success with 18 enthusiastic kids actively participating! Everyone had a fantastic time, and many expressed a keen interest in participating again.

Special kudos to Dev and Virti of Class 9 for their remarkable achievement in climbing nearly 30 feet. Our students were privileged to meet and be inspired by world champion climber Ms. Sunitha, whose words left a lasting impact on our students. This activity has truly instilled in them team spirit, strength, critical thinking skills, and the ability to take on challenges!

Insights from World Champion climber Ms. Sunitha .

ADVENTURE TRIP- GO-KARTING

We recently organized an exciting Go-karting trip to provide our students with a fun and educational experience outside the classroom.

Upon arrival, the students were equipped with helmets and safety gear before heading to the track.

Each student was given the opportunity to complete 10 laps around the go-kart track. These laps allowed them to get familiar with the go-karts, improve their skills, and enjoy the thrill of racing.

They learned how to handle the steering and practiced accelerating and braking smoothly.

After a few laps, the students began to gain confidence, increase their speed, and take on the track with enthusiasm. The trip was a perfect blend of excitement and learning, leaving everyone with unforgettable memories.
