# WEEKDAY INSIGHTS

THAT WAS A VIBRANT WEEK!

From 2nd to 8th September 2024, JIRS buzzed with energy, creativity, and devotion.

Our students embraced entrepreneurship, spirituality, and sustainability through hands-on experiences—from hosting a successful AMITY Club fundraiser to celebrating Ganesh Chaturthi with eco-friendly idols.

This week highlighted the spirit of learning, innovation, and cultural appreciation that thrives on our campus. Stay tuned as we continue to celebrate the boundless potential of our students!

## WEEKDAY INSIGHTS

### **Crafting an Eco friendly Ganesha with sustainable materials**

Let's celebrate their creativity and  
commitment to protecting our  
planet!

Our talented and environmentally conscious students at JIRS have created a stunning eco-friendly Ganesha idol using bamboo, coconut husk, plant jute, and clay!

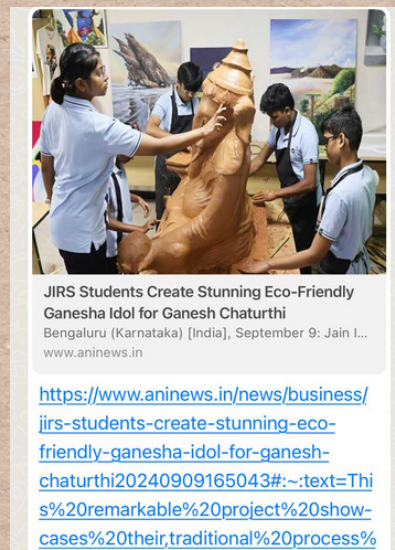

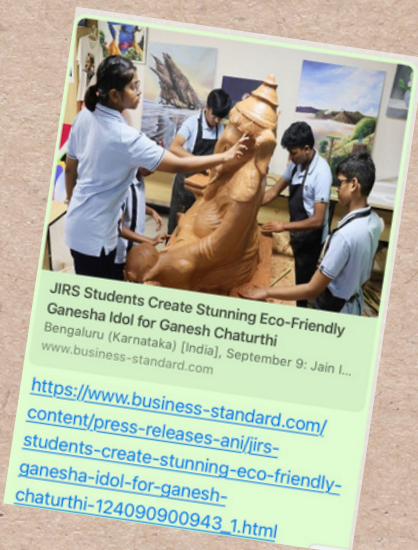

This incredible project led by Art teacher Mr. Satyajith Bohra, was inspired by our students' visit to local idol makers, where they gained valuable knowledge about the entire process of idol making and the importance of using eco-friendly materials.

## WEEKLY BULLETIN

## JIRS in NEWS

Our Art students were recently featured in several prominent publications for their creation of stunning eco-friendly Ganesha idols for Ganesh Chaturthi.

The coverage, highlighting our students' commitment to sustainability, can be found in Curriculum magazine, NewsVair, ANI News, Business Standard, The Print, Daily Hunt, Education Matters, Latestly, India Online News, Startup City India, The CEO Magazine, The Hans India, and Ten News.

## WEEKLY BULLETIN

**Making Waves: Young Swimmers Shine  
at VIVA Inter school Tournament**

On 3rd August 2024, our young swimmers showcased their talent at a highly competitive tournament featuring 19 schools from Bangalore. Despite the tough competition, all participants delivered personal best performances, gaining valuable insights and motivation for future events. Their dedication and spirit are truly inspiring!

Hridyayesha of class 7 won 3 Gold medals in 50M Freestyle, 50M Backstroke, and 100M IM, while Lekkala Jyoshitha of class 6 secured a Silver and Bronze medal.

## WEEKLY BULLETIN

### Enhancing Teaching Excellence: SYMPOSIUM (Cambridge Curriculum)

On September 3 and 4, our educators engaged in the SYMPOSIUM, a dynamic series of professional development sessions designed to elevate teaching methods.

The sessions covered essential topics like metacognition, equipping teachers with strategies to empower students in managing their own learning, and "Assessment for Learning," which underscored the role of formative assessments and feedback in boosting student success.

These workshops are setting the stage for a more student-centered learning environment.

**Session 1- Metacognition presented by Mr Merin Das and Ms Jaishree Marothi**

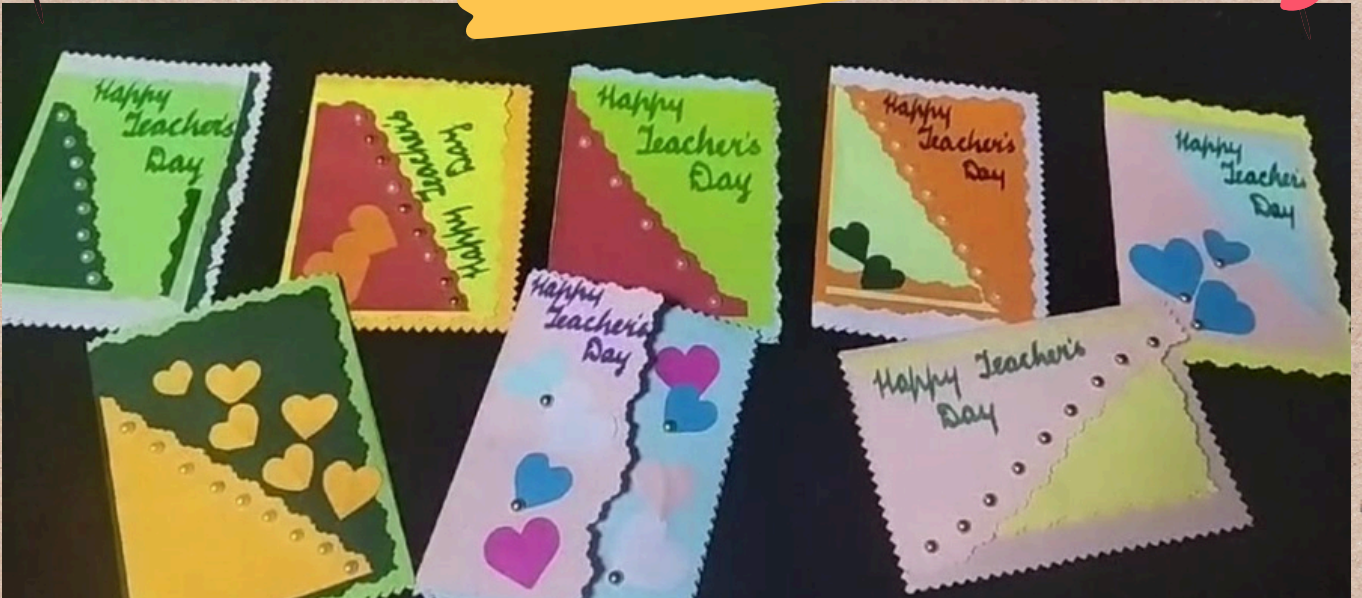

**Session 2- Assessment for Learning by Mr Santhosh Rao M.  
and Mrs Sreekala K P**

## WEEKLY BULLETIN

## Teacher's Day Celebrations

**"Teaching is the "one profession" that creates all other professions."**

On September 5th, our students welcomed their beloved teachers to walk on the red carpet and were greeted with roses and heartfelt smiles.

This was followed by a series of mindblowing entertainment programs organized by the students at the Colosseum.

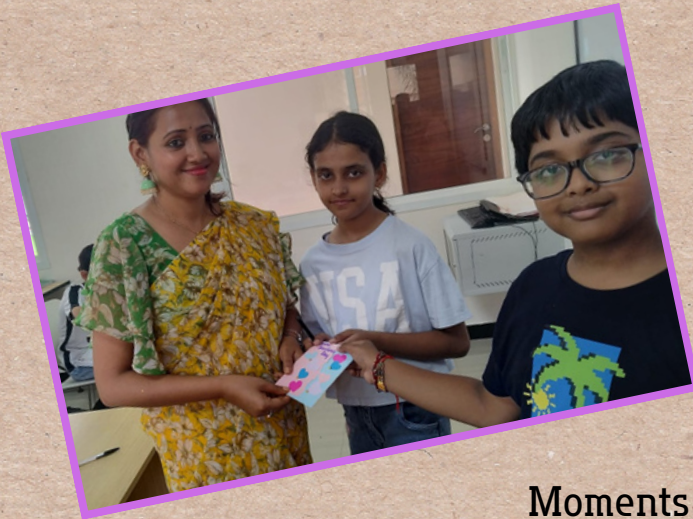

It was a day filled with gratitude, joy, and memorable moments, truly showcasing the bond between our teachers and students.

**Club Activity Updates!**

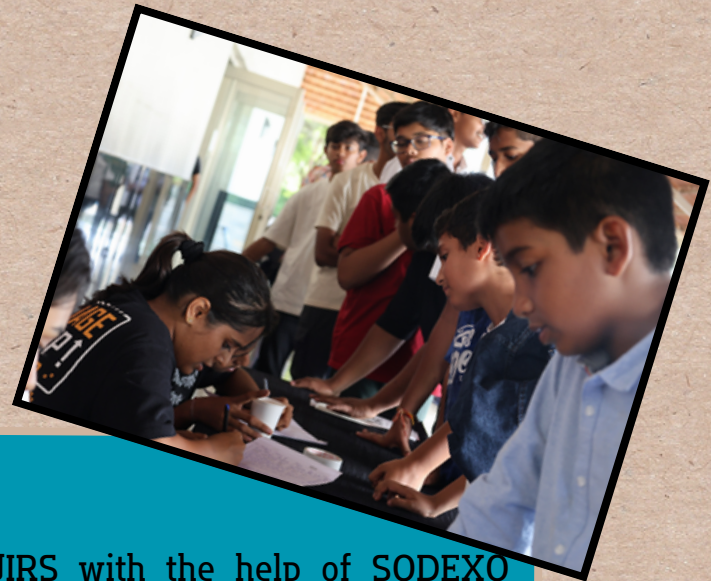

**AMITY Club's Fundraiser event : Empowering Young Entrepreneurs**

## WEEKLY BULLETIN

**Amity Club's "Feast of Flavours"**

The students of AMITY CLUB, JIRS with the help of SODEXO organized a sale event to raise funds for further operations of the club. The club members got an opportunity to experience the joy of creating tasty bites to satisfy the taste buds of everyone. The objective of this activity was to enable the students to become better planners, communicators and organizers.

They were involved in a variety of management functions which will help them understand it in more depth when they take up their own ventures.

**JIRS Intraschool Debate Ignites Minds!**

On September 6, 2024, our school hosted an Intra-school debate in the World Schools Debating Championship (WSDC) format.

Students from Grades 6 to 12 of International Curriculum showcased their debating prowess, tackling thought-provoking topics. The topics included: “Ban all forms of Animal Testing”; “Space Exploration: A Waste of Human Resources”, “Artificial Intelligence Should Have the Same Legal Rights as Humans”, and “Allowing genetic modification of babies” that furthered the discourse.

These subjects provided a platform for students to explore and articulate their perspectives on critical global issues, demonstrating their ability to engage in high-level discussions. Kudos to the IBDP student organizers and teacher judges for making this intellectually enriching event a grand success!

## WEEKLY BULLETIN

**Jain Paryushan**

From August 30 to September 7, 2024, our Jain students observed the sacred festival of Paryushan, a time for deep reflection, repentance, and spiritual enhancement.

Guided by the wisdom of Vasant Muni Ji, they engaged in fasting, prayers, Pratikraman and evening aartis.

This profound experience fostered unity, encouraging non-violence, forgiveness, and self-purification, as the Jain students embraced the core values of Jainism.

Jain Paryushan: A Time for Reflection and Spiritual Growth

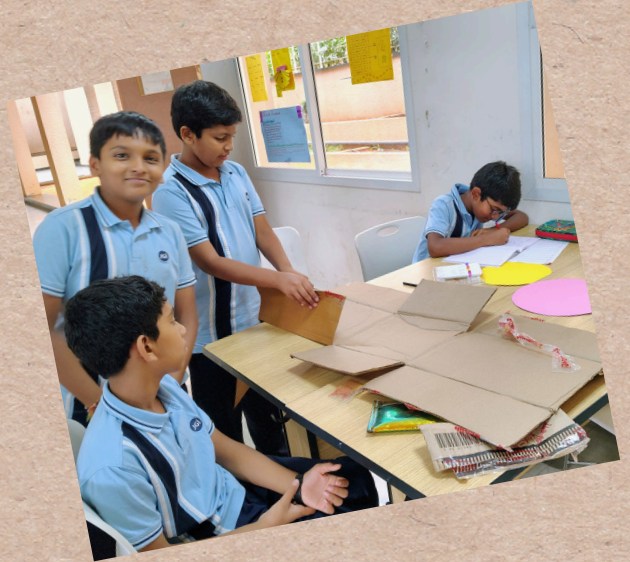

## Experiential Learning- Junior School, CBSE

On 6th September, Grade 6A students engaged in an exciting experiential activity titled "Whole-Pic - Comparing Countries' Data in the Olympics 2020." Working in groups, they analyzed the performances of different countries, creating creative rotor pie charts to visually represent their findings.

This hands-on activity not only enhanced their data representation skills but also fostered teamwork and critical thinking as they discussed the reasons behind each country's success. It was a fantastic opportunity for students to collaborate and deepen their understanding of data analysis!

**Educators: Mr. Ashwani Vishwakarma and Mrs. Rasmita**

### Comparing Countries' Data in the Olympics 2020

Grade 5 CBSE students dove into the fascinating world of Indian and International place values through a creative hands-on activity!

Using colorful chart papers, they crafted number strips that allow them to compare and understand the differences between the two systems, from ones to crores and millions. This engaging project not only enhanced their mathematical skills but also developed fine motor skills and coordination, all while fostering teamwork and creativity.

By the end of the activity, students were able to read, write, and create numbers up to billions and crores, integrating math with art in a fun and meaningful way!

**Educator: Ms. Pooja Sharma**

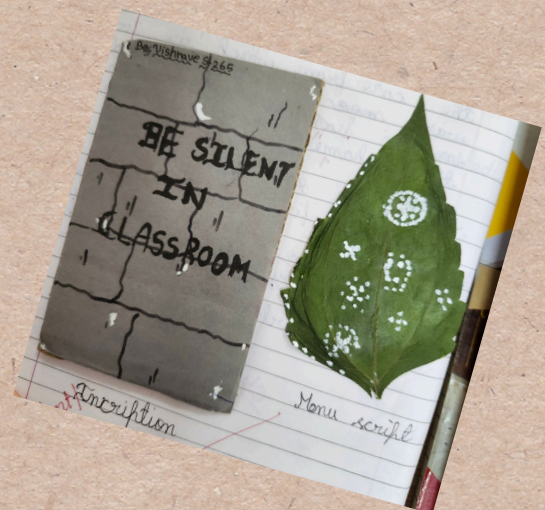

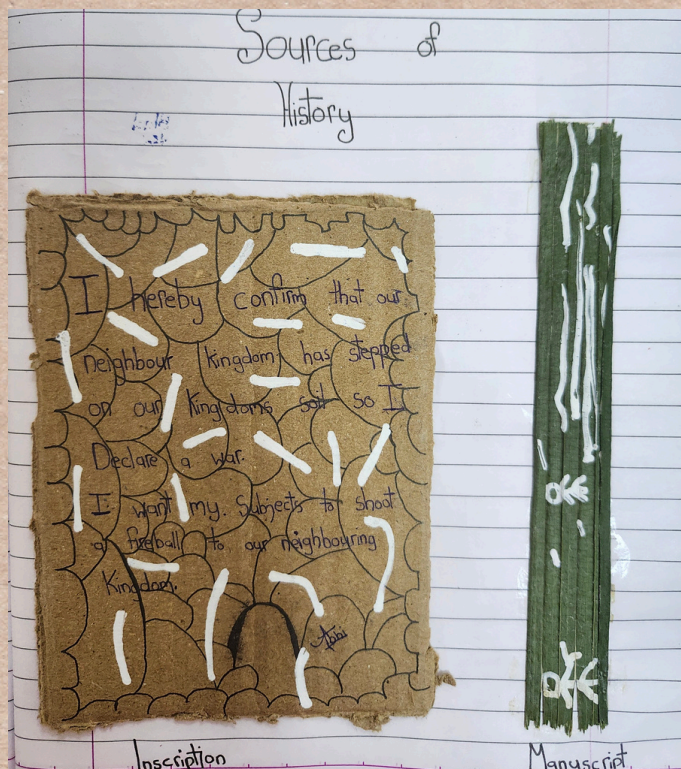

# "Unleashing Creativity: Students Dive into the World of Manuscripts and Inscriptions!"

Our Grade 6 students had a fascinating time exploring the world of manuscripts and inscriptions! They learned about these valuable historical records and how they provide insights into past cultures, languages, and events.

Through hands-on activities, they created their own ancient manuscripts by drawing symbols and signs on leaves, as well as inscriptions on cardboard, taking on the roles of kings and queens.

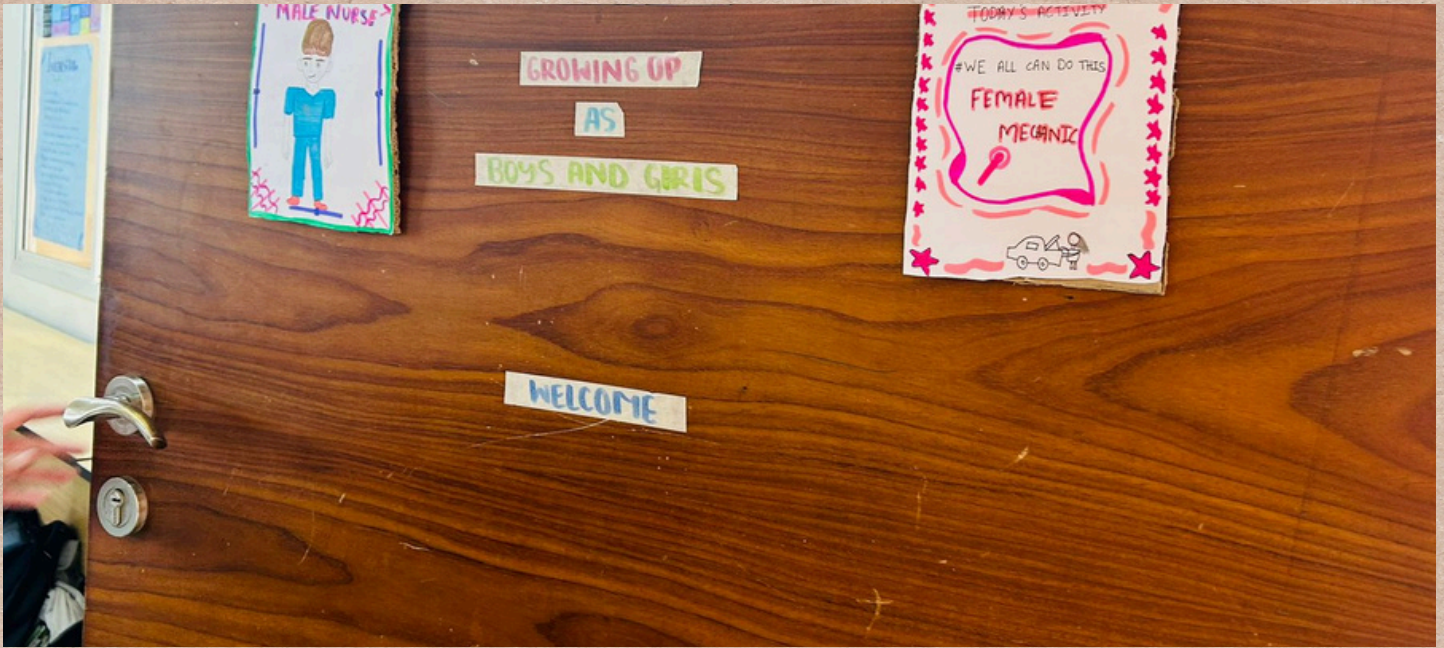

This engaging project not only deepened their understanding of history and writing systems but also fostered creativity and imagination.

**Educator: Ms. Ayushi**

## Exploring Gender equality through Snakes and Ladders

Grade 7 students had a fantastic time exploring gender equality through an interactive "Snakes and Ladders" game on September 6th!

They created flashcards highlighting women in male-dominated roles and men in female-dominated professions, which sparked meaningful discussions about breaking stereotypes.

This engaging activity not only fostered creativity and collaboration but also made learning about gender roles fun and impactful!

**Educator: Ms. Moumita**

## Digging into the Depths of Soil: A Hands-On Exploration

Grade 8 CBSE students embarked on a delicious journey to uncover the secrets of soil!

Using a variety of tasty materials, including toffees, cookies, and cakes, they created layered models to represent the different types of soil and their unique properties.

By carefully examining the composition and structure of their creations, students gained a deeper understanding of how soil supports plant life and maintains environmental health. They discovered that soil is not just a simple mixture of minerals and organic matter, but a complex and dynamic system that plays a crucial role in sustaining ecosystems.

This engaging activity not only fostered their analytical skills but also encouraged creativity and innovation.

**Educator: Ms. Ayushi**

# WEEKENDS AT JIRS

## Celebrations

### Ganesh Chaturthi : A Blend of Devotion and Sustainability

On September 7, 2024, We celebrated Ganesh Chaturthi with great devotion and enthusiasm at the Vasu Mahaganapathi Mandir on campus.

Students, dressed in vibrant ethnic attire, participated in the pooja and filled the air with melodious devotional songs dedicated to Lord Ganesha.

# WEEKENDS AT JIRS

The highlight of the celebration was the immersion of both the Gowri-Ganesha and the eco-friendly Ganesha idol, lovingly crafted by students using sustainable materials. The event beautifully combined traditional festivities with a commitment to environmental consciousness, leaving a lasting impression on the JIRS community.

# WEEKENDS AT JIRS

## Conquering Harihara Betta: A Journey of Resilience and Teamwork!

On 8th September, our 47 students from CBSE 11th and IB Year 1 along with the coaches, embarked on an adventurous trek to Harihara Betta with Indiahikes.

This moderately difficult trek tested their endurance and teamwork, while the breathtaking views and rugged trails provided the perfect setting for an unforgettable experience. Students returned with strengthened bonds, heightened resilience, and cherished memories.

# WEEKENDS AT JIRS

## Scaling New Heights: Wall Climbing Adventure!

On September 8, 2024, our students embraced the thrill of wall climbing under the expert guidance of Mr. Shadiq.

After a dynamic warm-up and stretching session, students were introduced to climbing techniques and given two exciting rounds of climbing.

The activity was not only an exhilarating challenge but also a fun and rewarding experience for everyone involved. Our students enjoyed every moment, pushing their limits and developing new skills.

# WEEKENDS AT JIRS

## Revving Up the Fun: Go-Karting Thrills!

On September 8, 2024, our students hit the track for an adrenaline-pumping go-karting adventure! The day was filled with enhanced driving skills, from speed control to cornering, and boosted confidence behind the wheel. Teamwork, communication, and camaraderie were at their best as everyone enjoyed the exhilarating experience and created unforgettable memories. With a focus on safety and strategy, this event not only provided an amazing thrill but also left everyone eager for more laps!

WEEKLY BULLETIN

Yo!

**Movie Magic at JIRS!**

This Sunday, our students enjoyed an exciting screening of "My Spy - The Eternal City" at the school auditorium.

The action-packed adventure had everyone on the edge of their seats, providing a perfect blend of entertainment and camaraderie.

Such fun-filled movie sessions are a great way for our students to unwind and bond with their friends.
